

Transportation Times – Updated (January 1st, 2012)

Service: **UNADDRESSED ADMAIL**

Origin (Office of Deposits): **Halifax, NS (Metro)**

6175 Almond St Halifax, NS B3K 5N2

How to Calculate the Deposit Date for your Items:

The grid below identifies the transportation time between locations. However, to each transportation time, you must add an extra day to account for mail preparation time once it arrives at the Letter Carrier depot. This total (transportation time plus mail preparation time) will be your total time between the Deposit Date and Delivery Start Date.

For example, if you are submitting a mailing at the Ottawa RVU for delivery in St-Bruno (J3V postal code), the transportation time is three days. Add one day for mail preparation at the Canada Post depot and you have four days between the Deposit Date and Delivery Start Date. Therefore, if you want the delivery to start on Friday, January 27, the mail will have to be deposited on Monday, January 23, four days earlier.
