

## The right service for the right job. Why pay for features you don't need?

Controlling costs is always the smart business choice. But, high-speed express can boost your costs unnecessarily. The Xpresspost service puts you back in charge. It's the timely, cost-effective alternative to the high cost of high-speed shipments.

### Only pay for what you need

When you don't need high-speed, high-priced express service but still want timely guaranteed delivery, the Xpresspost service is the smart choice. On-time delivery is guaranteed, and easy tracking and delivery confirmation are standard features.

### Control shipping costs

Use our flat-rate prepaid envelopes, and labels, and you have the added management tool of managing your company's shipping costs up front.

### Extend your reach

We deliver to over 15 million mailing addresses—more than anyone else in Canada. Whether it's business, consumer, street addresses, PO Boxes...we go where you need to be.

### Ship the no-hassle way

Use one of our 6,500 conveniently-located post offices or drop off Xpresspost prepaid items in any mailbox, or you can arrange for On-Demand Pickup or Scheduled Pickup services.

### Boost replies

When you want a two-way conversation, enclose a prepaid envelope with your delivery and watch the replies roll in.

### Check for delivery confirmation

Confirm delivery online or over the phone by noon the next business day. Visit [canadapost.ca](http://canadapost.ca) or call 1-888-550-6333.

### Combine flexibility with peace of mind

Not sure if someone will be there to accept the package? Not a problem. You can specify whether or not to drop off the package if no one is there to take delivery.

All your packages are important. But, they're not all urgent. The Xpresspost service gives you reliable delivery, and you don't have to pay for bells and whistles you don't need.

## A closer look at the Xpresspost service features.

### Detailed delivery confirmation

There are times when it's critical to know who signed for the package. Signature tells you the name, and Signature Copy gives you a hard copy.

### Reinforce your brand

Turn delivery into a branding opportunity. Put your logo on Xpresspost prepaid envelopes. Contact your sales representative for more information about our "Brand-It™ Program".

### Protect your valuables

When the contents of your shipment require it, you can get coverage of up to \$5,000\*\*. The first \$100 coverage is included free of charge.

## Expand your opportunities, reduce your costs

Take control of your shipping agenda with smart, innovative solutions that simplify routines, satisfy customers and manage costs.

- Make the Xpresspost service part of your marketing mix. Combined with services like Expedited Parcel™ and Priority™ Next A.M.\*, it rounds out your costs and speed options.
- When you're footing the bill for returns, reduce courier costs by enclosing Xpresspost prepaids with your packages.
- Xpresspost stands out in a crowd. Use it for high-value samples or high-end direct marketing, and get your package noticed.
- Use our free Online Business Centre to order products, prepare statements, manage accounts. You'll cut paperwork, save time and improve accuracy.
- Not all sensitive material is ultra time-sensitive. Cut costs by using the dependable Xpresspost service, rather than courier, for legal documents or other important papers.
- Online customers like to control shipping choices and costs. Offer the Xpresspost service in your delivery mix and allow customers to choose the delivery speed or cost.

**The Xpresspost service is fast, tracked and guaranteed.**

### Reliable Service Nationwide

These delivery standards tell you the maximum number of days for delivery to 21 major urban centres in Canada. Delivery may even take place sooner.

Local: **Next day**

Regional: **Next day\***

National: **2 days**

Visit [canadapost.ca/deliverytool](http://canadapost.ca/deliverytool) to determine specific domestic delivery standards.

► **Think smart.**

► **Control costs.**

\* Delivery standards are within business days for items sent between most major urban centres and are dependent upon origin and destination.

\*\* Some exceptions apply.
