

## Parcels Prices Overview of Changes

Effective September 13, 2021, unless otherwise noted

This overview is a notice of the changes affecting the services you or an authorized user of your agreement with Canada Post use. **Please share this information with the appropriate representatives within your organization.**

Following a review of our commercial pricing practices, Canada Post is moving the timing of our annual parcel services price changes. Beginning this year, new rates for Domestic, USA and International parcel services will come into effect annually in September instead of January.

**On September 13, 2021, we are introducing adjustments to Domestic, USA and International parcel prices.**

We have worked to ensure any new prices remain competitive and are consistent with past years' adjustments.

The services affected by these changes are:

### Domestic

Priority™  
Xpresspost™  
Xpresspost™ Certified  
Expedited Parcel™  
Regular Parcel™  
Library Materials  
Day Old Chicks

### USA/International

Priority™ Worldwide (**effective January 10, 2022**)  
Xpresspost™ – USA and International  
Expedited Parcel™ – USA  
International Air & Surface Parcel  
Small Packet™ – USA & International  
Tracked Packet™ – USA & International

## Average price increase

### Domestic

The weighted average price increase for Domestic parcels is 3.5%.

### USA/International

The weighted average price increase for USA/International parcels is 2.8%.

**Effective January 10, 2022:** The price increase for Priority Worldwide is 5.5%.

## Ancillary Fees

Changes to surcharge prices (refer to the Customer Guide for detailed specifications):

**Effective January 10, 2022:** Additional Liability Coverage for Priority Worldwide is \$3.65.

The Oversize surcharge will increase to \$18. This surcharge only applies to items where the longest side is greater than 1 m and/or items where the second longest side is greater than 76 cm.

The Unpackaged surcharge will increase to \$18. This will apply to items that are unpackaged, such as tires.

*If an item is both Oversize and Unpackaged, the surcharge will only apply once.*

The Out-of-spec surcharge for items that exceed maximum size or weight specifications will increase to \$300.

This change applies to Domestic and USA/International (excluding Priority Worldwide and Packets) when the item's actual weight is greater than 30 kg, and/or one side is greater than 2 m and/or Length + Girth is greater than 3 m.
