

Parcels Prices and Services Overview of Changes Effective September 12, 2022, unless otherwise noted

This overview is a notice of the changes affecting the services you or an authorized user of your agreement with Canada Post use. **Please share this information with the appropriate representatives within your organization.**

On September 12, 2022, we are introducing adjustments to Domestic, USA and International parcel prices and services.

The adjusted pricing reflects the increasing costs of processing and delivery, as well as the requirement to serve a growing number of addresses. We have worked to ensure pricing remains competitive and consistent with past years' adjustments.

The services affected by these changes are:
