

## Xpresspost™ – USA

### The smart, affordable way to manage your USA-bound deliveries

The right delivery choice can help make the difference in attracting USA customers and controlling your shipping costs. The Xpresspost – USA service from Canada Post is an affordable alternative to expensive express services.

#### Choice. Reach. Reliability.

If you need to reach the USA faster, the Xpresspost – USA service is the wise choice. Offering enhanced tracking, on-time guaranteed delivery, and signature capture, it's a valuable tool to have in your shipping portfolio.

#### Take control of your shipping costs

The Xpresspost – USA service costs less than express or overnight offerings. And when you use our postage prepaid envelopes, you can determine your shipping costs up front.

#### Count on timely delivery—every time

On-time delivery is guaranteed in as little as two and three business days between major urban centres in Canada and in the USA.

#### Enjoy the ability to track and trace your parcels at major milestones

If parcel visibility is what you need, the Xpresspost – USA service delivers. Scans are captured at multiple key milestones, including when the item is shipped, leaves Canada, arrives in the USA and is delivered. When required, additional scans are captured as items go into, and out of, USA customs.

#### Get the proof you want with signature capture

The recipient's signature is automatically captured on every delivery. Viewing the signatory name is as easy as visiting [canadapost.ca](http://canadapost.ca).

#### Extend your reach and your presence

You'll never have to say 'no' to opportunities because of location. The Xpresspost – USA service delivers to every mailing address in the USA, including Post Office Boxes.

#### Ship the no-hassle way

Use one of more than 6,500 conveniently located post offices, or drop off your items in any street letter box.

Giving your customers a range of delivery choices can make all the difference in closing the deal.
