VARIO sheets and binders

No matter the stamp size or use – if it’s for souvenir sheets, booklets, coil stamps or OFDCs – there is a VARIO sheet that fits just right. VARIO sheets are also suitable for postcards, banknotes and whatever the collector’s heart desires.
- Black VARIO pages are double-sided with crystal-clear pockets or strips on either side for plenty of space. Clear VARIO pages are one-sided so that the item can be viewed from both sides. Black interleaves provide an ideal back drop or serve to separate chapters.
- Different sheets can be mixed and matched to customize your album.
- Black pages are made of hard PVC; clear pages are of polyester. Both are 100% free of acid and chemical softeners and have been chosen by experienced collectors time and time again.
- Overall sheet size: 216 mm x 280 mm (8 1/2" x 11").
- VARIO sheets can also be used with GRANDE binders.
